

The background of the entire image is a composite. On the left side, there is a close-up of a woman's face, showing her eyes, nose, and lips. She has light-colored eyes and is looking directly at the camera. On the right side, there is a night-time aerial view of a resort or hotel complex, likely Fontainebleau Miami Beach, with palm trees and illuminated buildings.

advancing facial
aesthetics

14TH

annual Aesthetic
Symposium

A carefully curated audience of providers, injectors and practice owners brings real purchasing influence into one room.

Visibility is designed into the experience

Sponsors stay inside the main ballroom—not separated from the education and networking.

01 MAIN-BALLROOM PRESENCE

Continuous exposure throughout lectures, breaks and hosted gatherings.

02 EDUCATIONAL INTEGRATION

Aligned products and services can enter workshops, curriculum and demonstrations.

03 LIMITED COMPETITION

A deliberately restricted partner roster protects visibility and share of voice.

04 QUALIFIED CONNECTIONS

Designed contact with aesthetic providers, injectors and practice decision-makers.

FROM OUR EXECUTIVE DIRECTOR

A personal invitation to grow with IAFA

As IAFA continues to pursue excellence in facial aesthetics, we are honored to work with collaborators whose vision for the profession matches ours.

Our aim is a true 360-degree sponsor experience—creating visibility, robust sales opportunities and meaningful connections with multidisciplinary medical professionals, prospective buyers and partners.

Thank you for considering a partnership with the 2026 IAFA Aesthetic Symposium. We look forward to welcoming you to Miami.
